

Thermometers and Gauges

Thermometers with Thermowells

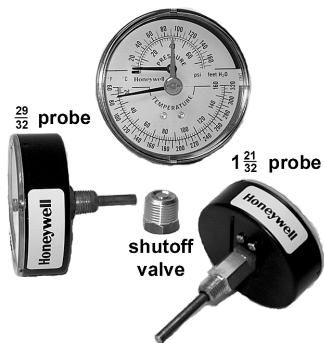

Length: 2 in. long
 Material: Case: steel; Well: brass
 Temperature range: 32 F to 250 F; 0 C to 121 C
 Comments: Brass thermowell is included to allow the thermometer to be removed without draining the system.

ORDER NUMBER	Dial Size	Connection	Weight
GS200	2 in.	1/2 in. Sweat	0.21 lb
GS250	2 1/2 in.		0.25 lb
GT161	2 in.	1/2 in. NPT	0.21 lb
GT162	2 1/2 in.		0.25 lb

Water Control Products

Tridicators—Dual Temperature and Pressure Readout Gauges

Pressure/temperature gauge with relief set point indicator for boilers.

Dial Size: 3 1/8 in.
 Max Pressure: 75 PSI
 Temperature range: 60 to 320 F; 15 C to 160 C

ORDER NUMBER	Comments	Connection Size	Probe Length	Weight
TD-090	Pressure/temperature gauge with relief set point indicator	1/4 in. NPT	29/32 in.	0.3 lb
TD-165	Pressure/temperature gauge with relief set point indicator	1/4 in. NPT	1 21/32 in.	0.3 lb
TDV-040	Pressure/temperature gauge with relief set point indicator and shut off valve	1/2 in. NPT	1 in.	0.4 lb

Honeywell Sparco/Braukmann products are sold via independent Manufacturer Representatives.
