

## 360 CareGiver® Barrier-Free Shower Floor

Premium Fiberglass · Fits 30" x 60" Alcove

360 CareGiver® Barrier-Free shower floor shown with various optional companion products. See reverse side.

Whether you are designing for a hospital, assisted living facility, or home, the solution is the same...the Model 360 CareGiver® Barrier-Free shower floor from E.L. Mustee & Sons, Inc., the market leader. The Model 360 Barrier-Free shower floor has a color-matched, slip-resistant 60" x 12" entry ramp (order separately) which features a gentle slope to create a totally curbless shower entrance.

The 30" x 60" overall size of the Model 360 CareGiver® enables it to easily replace an existing standard bathtub or be installed in an alcove where a bathtub was planned.

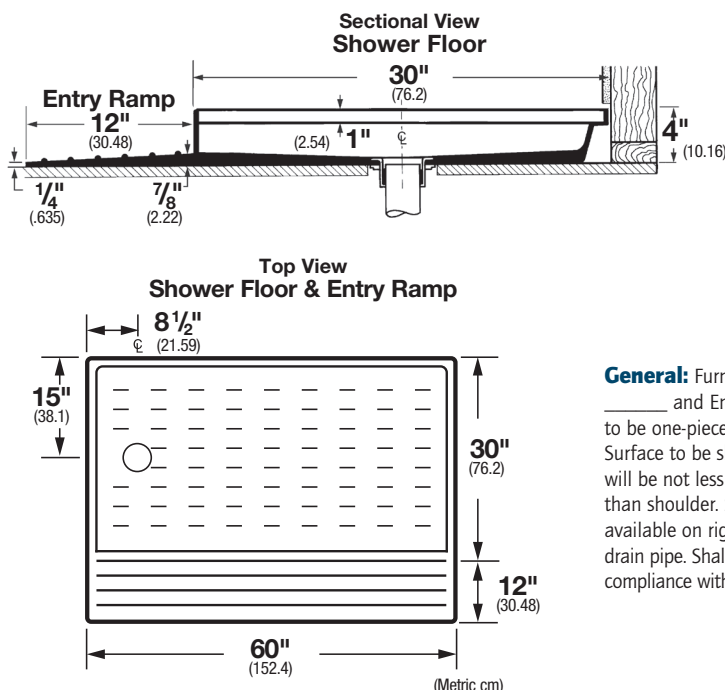

### Features

- Premium molded fiberglass construction
- 60" x 12" ramp (order separately) for a curbless shower entry
- Drain hole is offset 8½" x 15" for connection to 2" DWV piping
- Slip-resistant surface
- Available in both left and right hand drain locations
- Entry ramp can be trimmed to fit around a toilet or other structure
- Colorfast, semi-gloss finish in white & bone
- Fits drain for 2" Iron DWV, (Sch. 40) PVC or ABS sanitary drain pipe
- Mold & mildew resistant—easy to clean

### Code Accepted

- Americans with Disabilities Act (ADA) July 1, 1997 Version
- American Society of Testing and Materials (ASTM): D635 Flammability; ES4 Flame Spread; E162 Fire Retardancy
